Attention: [redacted]
Successor Contracting Officer

25X1A

Refer to: [redacted]

Subject: Proposal for Extension of Performance Period

25X1A

Reference: Task Order No. 17/[redacted]

25X1A

Gentlemen:

25X1A

[redacted] is pleased to submit this proposal, with the concurrence of the sponsor technical representative, for furnishing of necessary labor, material and facilities to continue to provide direct engineering and support to accomplish tasks directed to [redacted] by the sponsor during the period 16 November 1967 to 31 January 1968, within the available estimated costs of the contract. This extension will enable [redacted] to be immediately responsive to the sponsor on any matters pertaining to "NPIC IIS System Requirements", "Integrated Information System (IIS) Specifications", and "Detailed System Implementation Plan". Requests for additional tasks and information should be directed to [redacted] Program Manager.

25X1A

25X1A

The funds remaining in the contract which will allow [redacted] continued performance are those unspent and/or committed on the program as of 15 November 1967, based on the provisional billing rates established for the division. In the event final billing rates are established in excess of the provisional rates utilized for billing under this contract additional funding would then be required in accordance with Article 5 - Limitation of Cost requirements, notification under this clause having been provided on 2 June 1967 (WOH:blm:230) and clarification of funding by our correspondence of 25 October 1967 (WOH:jk:383).

25X1A

25X1A

Performance requested of [redacted] by the sponsor technical representative which would exceed the available funding will not be performed without prior notice to the sponsor and a mutually agreed upon revision to the funding prior to performance.

WOH:gm:415

We trust that this proposal will be found acceptable to the sponsor and that an extension to the performance period, within the constraints of funding available or as mutually revised, will be forthcoming in the near future.

Very truly yours,

25X1A
